ABOUT KABINER

KABINER is the next-generation modular custom cabinetry brand built for interior execution specialists like architects, interior designers and builders acting as their trusted showroom and factory. KABINER manufactures durable, custom kitchens, wardrobes, storage solutions, and panels for residential and commercial projects — all crafted in a world-class manufacturing facility with a wide range of customisation options. With a simple digital ordering experience, transparent pricing, fast delivery, and dependable after-sales service, Kabiner makes it easy for interior professionals to source and deliver long-lasting cabinetry at scale.

VISION

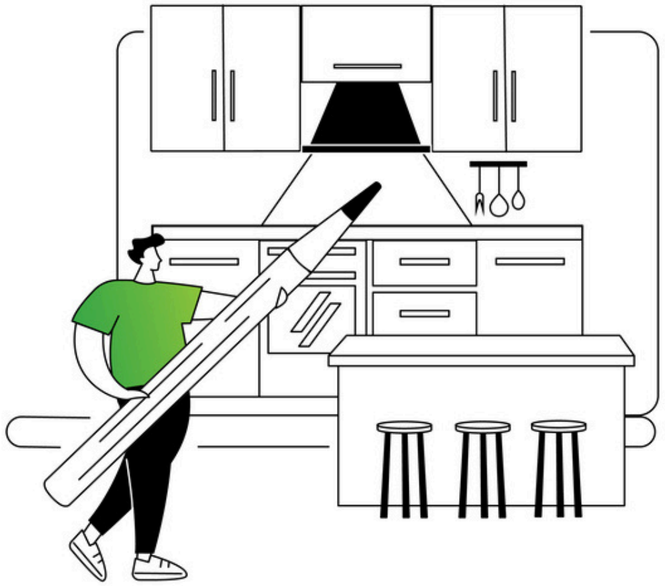

To be the preferred global custom cabinetry brand, trusted for delivering exceptional quality, innovation and reliability across India and international markets.

MISSION

To deliver world class, durable custom cabinetry solutions to interior design and execution specialists, ensuring timely delivery to every project site.

CREATE STYLISH, FUNCTIONAL SPACES EFFORTLESSLY WITH KABINER.

CORE MATERIAL

KABINER uses premium-quality 800+ density HPL PVC and HDHMR boards, featuring 17mm-thick carcase boards, 7.5mm thick back panels, and 18mm-thick shutters. This carefully engineered construction delivers the ideal balance of strength, stability, and durability for long-lasting performance.

KABINER exclusively uses premium German hardware and accessories from trusted brands such as Hettich, Hafele, and REHAU. Every installation is equipped with soft-close hinges, runners, and drawers, all backed by manufacturer warranties for assured quality, reliability, and long-term performance.

KABINER is driven by advanced German engineering and precision CNC technology, our manufacturing processes are designed to deliver exceptional accuracy across every panel, joint, and component. This meticulous approach ensures consistently precise tolerances, flawless fit and finish, and uncompromising quality in every cabinetry solution.

- Zero-error production with German engineering, faster execution, and premium-quality finishes
- Stay on budget, stay-stress free
- Long-lasting products
- 10-year panel warranty*

WARRANTY & SUPPORT

At KABINER, our commitment extends beyond manufacturing exceptional custom cabinetry. We are dedicated to delivering highly durable products, ensuring error free on time delivery, and providing quick and reliable after sales support whenever you need it.

All Kabiner product's are manufactured using premium material and advanced processes to ensure long lasting performance. To reinforce our commitment to quality, we offer a 10 year warranty against manufacturing defects in engineered panels, along with prompt assistance for any related concerns or service requests.

WARRANTY COVERAGE

Kabiner products are manufactured to meet stringent quality standards and are covered against manufacturing defects under normal residential use.

PRODUCT	WARRANTY
HDHMR PANELS	10 Year replacement warranty on manufacturing defects for all 'cabinets & panels' under normal usage.
HPL PVC PANELS	10 Year replacement warranty on manufacturing defects for all 'cabinets & panels' under normal usage.
HARDWARE (Hinges, Slides, Locks & Accessories)	2-15 Year functional manufacturer's warranty for hinges, runners, locks and other accessories under normal usage.
ACCESSORIES	2-15 Year functional manufacture's warranty for hinges, runners, locks and other accessories under normal usage.

Warranty is applicable only against manufacturing defects and is subject to the terms and conditions outlined in this document.
